AB1639 The Eric Paredes Sudden Cardiac Arrest Prevention Act (2016)

Initially a California Interscholastic Federation by-law affecting high school sports programs, this law now applies to our state's public, private and charter K-12 schools. It includes mandatory Sudden Cardiac Arrest Information sheets that are signed by parent/guardian and student athletes, bi-annual SCA prevention training for coaches with new removal/return to play protocol for student athletes who faint/pass out or exhibit a suspected cardiac condition.

AB379 Concussion and Sudden Cardiac Arrest Prevention Protocol (2020)

This law extends the protocol introduced in AB1639 to community youth sports programs, with the addition that sports officials (referees, umpires, etc.) and administrators also take mandatory Sudden Cardiac Arrest prevention training. This law applies to an organization, business, non-profit entity, school or local government agency that sponsors or conducts amateur sports competitions, training, camps or clubs for those under 18.
